NEW for 2012: Nature in the Classrooms Raincoast Education Society's School Programs

In addition to our sustainability curricula for the classrooms please read below about our naturalist programs for the Winter & Spring. Email: kimberly@raincoasteducation.org or call: 250.725.2560 to book these lessons for your class!

January: **Salmon:** Ecology, Culture, Natural History, & Art (possibility of field trip).

February: **Owls:** Ecology, Culture, Folklore, & Natural History.

March: **Orcas & Wolves:** Ecology & Culture. These programs are sponsored by *Jamie's Whaling Station, The Strawberry Isle Research Society, Ocean Village, and Black Rock Resort.*

April: **Earth Month Program:** Time for planting! Strong outdoor component.

May: **Shorebird Program:** Ecology, Observation, Natural History, & Art (possibility of field trip).

June: This is when the year-end field trips usually happen and when classes come to the Botanical Gardens for experiential education. Please call us in May to book your class at the Gardens.
