

13th Annual Pacific Rim Shorebird Festival May 7-9, 2010, Tofino BC

On the Pacific Rim, peak shorebird migration occurs in late April and early May. Join the Raincoast Education Society for walks, talks, and more! Learn more about these amazing birds that stop on our local mudflats and beaches for just a few days during a journey thousands of kilometers long!

*This year's program is still being finalized.
Please check back often!*
